Betreft: Motivation Letter – IT Support Assistant

Dear Hiring Manager,

I would like to express my interest in the position of IT Support Assistant at Yang Ming (Netherlands) B.V. With a background in IT support, system administration and software testing, combined with strong problem-solving skills and a service-oriented mindset, I believe I can contribute positively to your team.

With more than 10 years of experience in IT roles, I have become skilled in troubleshooting, user support, hardware/software maintenance, Active Directory, network basics and system monitoring. I enjoy helping colleagues resolve issues quickly and ensuring that IT systems run smoothly so that the business can operate without interruption. My approach is structured, patient and customer-focused, and I always aim to provide clear communication and reliable solutions.

What attracts me to Yang Ming is your reputation as a globally respected logistics and shipping company with a strong focus on reliability, teamwork and continuous improvement. I would be proud to support your operations by ensuring dependable IT services and by contributing to a positive, professional work environment.

I am eager to bring my experience, my proactive attitude and my passion for IT support to your organization. I would welcome the opportunity to discuss how I can add value to the Yang Ming IT team.

Thank you for considering my application.

Met vriendelijke groet,

Muhammad Reza Jafari
